INSTRUCTIONS:

This file can be filled in electronically by simply typing next to each field. Once one form has been completed, certain information is copied over to the next form (saving your time!). Furthermore, information from the title slips is fed into the entry forms automatically, so all you need to do is select the categories using the check boxes. If you prefer to hand-write, then just print off and fill in. Enquiries: Mike Piper 01785 606652 / 07737 987288
