

Season 2018/19 Theme Competitions

Each year at the WPS AGM there are two photographic themes chosen for the next season. For the 2018/19 season the themes are:

- **Animals**
- **People**

The aim of this publication is to set out a few guidelines to help when selecting your photographs or PDIs for each of the themes. It will also be given to the judge so everyone is starting from a common point of view.

This document is still in preparation and will be published during the first half of August.
