

We are passionate about photography - whether it's stunning landscapes, moody and atmospheric black and whites, perfectly captured nature or photos which show your creative side.

We love photography in all its forms and we love people who love their photography.

Whether you're a novice or a dab-hand, taking photos of flowers or fog or simply enjoying photography as your hobby, you'll be warmly welcomed to our group. It doesn't matter if you're just beginning or if you've been taking photos all your life because we are certain there is something for you at WPS.

Weekly meetings from September to May

Our weekly meetings are warm and sociable with a friendly membership and a range of interesting activities such as guest speakers, members' presentations and our annual Points Series Competition (for both projected and printed images) where we compete against each other. There are other opportunities too and details of these are available on our web site.

We are affiliated to the **PAGB** (*Photo Alliance of Great Britain*) and the **MCPF** (*Midland Counties Photographic Federation*) and we have a very good relationships with several local radio stations, the *Wolverhampton Magazine* and *Wolverhampton Art Gallery*, which hosted our 125th Anniversary Exhibition in November 2013 - a mix of the best historical images as well as stunning new work.

There is also help, advice, and encouragement for any member wishing to obtain a distinction with the *Royal Photographic Society*.

Wolverhampton Photographic Society has been helping develop photographic skills for more than 125 years.

Why not join us and become part of our future?

Help and Advice

One of the great things of being part of our group is being able to mix and chat with fellow photographers to share ideas and skills. Not only are there opportunities to ask for advice from fellow members, or to pass on tips and tricks that you may know, but there are numerous opportunities to see the work of those around you and to develop ideas and inspiration.

WPS competitions offer an opportunity to view the best work of fellow members and hear the opinions of external judges.

WPS Trophies and Awards

There are a number of silver cups and trophies which are presented each year to members who win our various internal competitions or who have achieved significant progress during the season.

Workshops and Special Interest Groups

Everyone has to start somewhere and there are always new skills to be learned.

For this reason WPS runs regular workshops covering a wide range of topics. Some of these are run in parallel with *Tettenhall Wood Photographic Club* and look at making better use of your camera and its controls, photographic composition, lighting, *Lightroom*, *Photoshop/Elements* and more. There are also special interest groups which look at more specific topics such as flash photography, portraiture or creative styles.

It doesn't matter at what level you are with your photography as there will undoubtedly be something for you. Perhaps your photographic experiences or photo-software skills will be of interest to others.

WPS Outings

Throughout the season there are visits and trips arranged to a wide range of locations. These could be *National Trust* properties or perhaps specific events which, in the past, have included balloon festivals, the *Blists Hill* and *Black Country* museums, steam rallies or walks in scenic locations. Patterdale in the Lake District is a regular venue for a short photography and social break.

Our visits and trips are arranged and organised by members so the choices each year are varied and changing.

Whoever you are and whatever you photograph come along and be inspired!

More information and detail about these events can be found on our website.

On most Tuesday evenings during the summer months many WPS members meet informally in the Albert Lawn Tennis Club lounge from 8pm onwards. Why not come along.
